START A CONVERSATION

What do you need help with?

Send a role description, a project brief, or a few lines about the problem. I welcome conversations with recruiters, agencies, and business owners.

> **I respond personally.**
> I'll listen, ask a few useful questions, and help you identify the clearest next step.

A few lines are enough to begin

Send a job description, an introduction, or the problem you need help with. We can work through scope, timing, and budget together afterward.
